The Chinook Child and Youth Advocacy Centre (CCYAC), is dedicated to giving children and youth who have experience sexual, and/or physical abuse or severe neglect, a safe space to share their story and receive the support and resources they need throughout the entire disclosure, investigation, and judicial process. As a community response, the CCYAC provides an early and seamless, coordinated and collaborative approach to addressing the needs of children and youth who have experience abuse and their non-offending family members.
