Residential Services

OUR FOCUS

To focus on Ability! We work with the individuals we serve to learn to do as much for themselves as possible. We focus on the development of Life-Skills, Social & Recreational Skills and Vocational skills. Every individual sets goals to work towards and our staff work with them to create opportunities where skills can be developed and ultimately their goals can be achieved.

OUR SERVICES

Generally speaking, we provide supports in the following support models:

- 24/7 Staffed homes
- Supported Independent Living

Specifically, we help people to learn to perform the tasks of daily living:

In their homes:

- meal planning, cooking, cleaning, laundry, etc.
- personal hygiene, self-care

In Community:

- social and recreational activities
- employment planning, including job coaching when necessary
- appointment support
 - physical health - doctors, dentists, nutritionists, etc.
 - mental health - psychiatrist, counseling, etc.

OUR GOALS

To ensure the individuals in our care live their best lives possible!
